

My name is Paula Watkins and I am writing on behalf of my favorite radio station, K-LOVE. I need this radio station. I do not understand the workings of radio and the broadcasting world, but it has come to my attention that K-LOVE may be forced off the air. Please do not do this. K-LOVE is a part of my community. This radio station is needed in our community and in others. We have already seen what happens to our families and our lives when God is taken out of our schools. Our children are dying because they have no direction, no guidance, and have no idea what love really is. At least they can listen to K-LOVE! K-LOVE serves a purpose in my community. It has changed my life for the better and has helped many others as well. Our culture is being destroyed. Our Christian rights and privileges are being taken away one by one. In case you have forgotten why America was born, think about it for just one minute - religious persecution! And it is STILL happening today. Please do not allow K-LOVE to be taken off the air. I need it. My friends and family need it, and YOU need it.

Thank-you for your time, and may God bless you!
